Health insurance is the foundation of a comprehensive benefits package for employees. It is the preferred benefit of the majority of people who work. Health insurance marks an employer as an employer of choice when desirable candidates select job opportunities.

Importance of Health Insurance to a Benefits Package

Health Plans and Benefits. More in This Section. A group health plan is an employee welfare benefit plan established or maintained by an employer or by an employee organization (such as a union), or both, that provides medical care for participants or their dependents directly or through insurance, reimbursement, or otherwise. Most private sector health plans are covered by the Employee Retirement Income Security Act (ERISA).

Health Plans and Benefits | U.S. Department of Labor

You're required to offer your employees health insurance if you have 50 or more FTEs (full-time employees). Additionally, the health insurance you offer must be considered "affordable" for your employees. In nuts and bolts, that means that the health insurance benefits must not cost employees more than 9.86% of their annual income.
