It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

This is a collection of historical folklore stories from around the world, many of which are still famous. They have been faithfully retold in an accessible way for all ages by a white American man from the 19th century named James Baldwin- as opposed to the James Baldwin rewriting classic stories with perhaps a post-colonial or gay twist, which would have been interesting too.

FIFTY FAMOUS STORIES RETOLD 2 Late in the day the king came to the hut of a woodcutter. He was very tired and hungry, and he begged the woodcutter's wife to give him something to eat and a place to sleep in her hut. The woman was baking some cakes upon the hearth, and she looked with pity upon the poor, ragged fellow who seemed so hungry.
