**Javascript by Example / Edition 2|Paperback**  
I think javascript could be a bridge to understand the Java itself. This book is useful for you only if you already know about HTML. If you do not familiar with HTML, I suggest that you read "HTML by example" by Todd Stauffer (QUE edition). This book is a nice introduction to Javascript and is intended "solimly" for beginner.

Javascript by Example book. Read reviews from world's largest community for readers. Useful for those learning JavaScript for the first time.

**Javascript by Example by Ellie Quigley**  
Javascript by Example was just what I needed to get the ball rolling; it kept me interested, instead of boring me to death. I highly recommend it to programmers of all skill levels. The book covers everything from beginning to advanced concepts, and includes software that is easy to use, and compliments the written material nicely.
