Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### John Deere X485 Electrical Wiring

Since then, Claas has successfully completed conformance testing for all Stage 5 tractors, from the Arion 400 to the Xerion 4000 and 5000, and John Deere has earned the qualification for its ...
