I tried troubleshooting using the SC-35 manual and what tidbits I could find online, but really came back with nothing. I have read posts on this forum for a long time, but never posted until today. Any insight from anyone would be great. I emailed Pioneer, but I doubt they will get back to me anytime soon.

Problems with Pioneer Elite SC-35 - AVS Forum | Home ...

This is an interactive manual which will help you to customize and take you step-by-step through certain processes. This is based on your PC's platform, so network it to the receiver before you start. For speaker calibration, the Elite Manual and Auto Advanced MCACC will help you calibrate your sounds. This is quite easy to use but you may need to make minor adjustments for individual tastes.

Pioneer Elite SC-55 - AV Receiver Reviews

I had my choices narrowed down to the Onkyo TX-NR809 and the Pioneer SC-35. My requirements were that the receiver can handle 4 ohm speakers, HDMI 1.4a for 3D, could interface with my iPod and PS3, 7.1 or 7.2 capability, 100 watts or more of power per channel, network connectivity, and Sirius radio.
