## **Psychoneural Reduction The New Wave**

In Psychoneural Reduction, John Bickle presents a new type of reductionism, one that is stronger than one-way dependency yet sidesteps the arguments that sank classical reductionism. Although he makes some concessions to classical antireductionism, he argues for a relationship between psychology and neurobiology that shares some of the key aims, features, and consequences of classical ...

## **Psychoneural Reduction The New Wave**

The new wave of psychoneural reduction attempts to resurrect the efficacy of reductionism by doing something different. It utilizes axiomaticized set theory predicates and employs a corrected analogue of the reduced theory to avoid these and other potent objections against classical reductionism.
