Klare's *The Race for What's Left* is about the end of easy resources. His focus is fossil fuels, land for agriculture, and rare earths. When we read the news, we should think about nations and corporations attempting to control easy resources now so that they can afford to pay more (when resources are scarce) later.

The Race for What's Left: The Global Scramble for the ...

The race was won by Denny Hamlin, who passed Blaney in the seconds after Newman crashed out of the race. Here is the final lap of the Daytona 500 in which Ryan Newman's car was flipped at the line.

NASCAR: Ryan Newman in serious condition after Daytona crash

Klare talks about this shift in consumption in his new book, *The Race for What's Left*. "It's about the invasions of these last places and the competitive struggle to reach these places and extract what's left," he explained.
