Regulators Novel Stephen King

The Regulators is a novel by American author Stephen King, writing under the pseudonym Richard Bachman. It was published in 1996 at the same time as its "mirror" novel, Desperation. The two novels represent parallel universes relative to one another, and most of the characters present in one novel's world also exist in the other novel's reality, albeit in different circumstances.

Inspiration. About The Regulators, Stephen says: "I had been toying with this idea called The Regulators because I had a sticker on my printer that said that. Then one day I pulled up in my driveway after going to the market and the Voice said, 'Do The Regulators and do it as a Bachman book and use the characters from Desperation but let them be who they're going to be in this story.'

The Regulators - Wikipedia

The Regulators is a novel by the master of horror, Stephen King. Released in the name of Richard Bachman. I'm not sure why he has decided to release it under the name Bachman, but I've theory that it is because it is a piece of crap. Small boy gets possessed by evil psychic "thing". Boy watches too many old western series and kids action cartoons.

The Body. First off in the News of the Mist-ifying, King's 1982 novella, The Body, is being published as a separate book this summer, June 5. It's an odd choice. When Scribner republished The Mist as a separate mass market paperback in 2007, it was as a tie-in to the movie (and it worked; people bought it and it went in the charts). As far as I know, there isn't a remake of Stand By Me in the ...
