Her research interests lie in Italian migration history to Canadaand correspondence, family dynamics, gender roles and the history of emotions. She has begun a new research project at the Max Planck Institute for Human Development on war memories and migration for which she has applied for funding with the European Research Council.

REPRESENTATIONS OF MIGRATION AND EMOTIONS OF EXCLUSION

We believe that greater attention to child migration—as both an empirical phenomenon (actual children at an actual border) and as an idea (the discourses and representations surrounding them)—can help inform the work of the academics, advocates, and activists opposing the violent and unjust migration policies that have proliferated across the hemisphere.

Exiliados, Refugiados, Desplazados: Children and Migration ...

Drawing in particular on representations of migration before, during and after the so-called European 'migration crisis' of 2015-16, Professor Crawley suggests that the most significant metaphor utilised in the framing of contemporary Africa is that of 'the Dark Continent' (Jarosz 1992) through which 'Africa' is 'flattened out' and homogenised, perceived as having certain ...

'Europe's' war': African migration and the politics of ...

This is a major new collection of essays on literary and cultural representations of migration and terrorism, the cultural impact of 9/11, and the subsequent 'war on terror'. The collection commences with analyses of the relationship between migration and terrorism, which has been the focus of much mainstream political and media debate since the attacks on America in 2001 and the London ...

Migration & Memory: Representation of Migration in Europe ...

Migration has always been at the core of Latina/o literature. In fact, it would be difficult to find any work in this corpus that does not address migration to some extent. This is because, save some exceptions, the experience of migration is the unifying condition from which Latina/o identities have emerged. All Latinas/os trace their family origins to Latin America and/or the Hispanic Caribbean.

Literary Representations of Migration - Oxford Research ...

The "migration crisis" , which peaked in 2015016, posed a fundamental challenge to European states, their alliance, and to the ethico-political frames that drive public political discourse and acts within nation-states and the European Union as a whole. At the moment of "crisis", media were ...
