The gold rush of 1848, says Brands, was a watershed in American history, helping mold the country into its modern shape, transforming the wilderness and pushing the country into civil war. Noted ...

Nonfiction Book Review: THE AGE OF GOLD: The California ...

In January of 1848, a man named James Marshall innocently noticed a few shiny flecks in a California stream at Sutter's Mill. Word spread of gold and soon people from all over California flocked inland seeking instant fortune. By autumn, word had reached the east, and once again Americans earned their reputation as a migratory people.

Gold in California [ushistory.org]

The term the Gilded Age was coined by Mark Twain and referred to the economic explosion of the late 19th century but also to the fact that the opulent image of the American elite served to mask the mass corruption and great poverty of millions of Americans.

The Gilded Age | California studies project

The California Gold Rush (1848–1855) was a gold rush that began on January 24, 1848, when gold was found by James W. Marshall at Sutter's Mill in Coloma, California. The news of gold brought approximately 300,000 people to California from the rest of the United States and abroad. The sudden influx of gold into the money supply reinvigorated the American economy, and the sudden population ...

Citations - The California Gold Rush

The January 1848 chance discovery of gold in northern California rapidly altered the course of America. On this day, August 19, in 1848, word finally reached the East Coast, when the New York Herald published a report of the discovery. By 1849, the rush was on in earnest, leading to the well-known term for gold seekers: '49ers.
