SECOND HALF | meaning in the Cambridge English Dictionary

Turning lost youth into full grown discovery. The Second Half is about turning back the clock and reclaiming the potential of youth that so many of us in middle age feel is gone for good. In my case, the game of soccer provides the prism through which to explore these universal themes of renewal and transformation.

The Second Half: Lifelong Learning Institute

In technology strategy, the "second half of the chessboard" is a phrase, coined by Ray Kurzweil, in reference to the point where an exponentially growing factor begins to have a significant economic impact on an organization's overall business strategy. While the number of grains on the first half of the chessboard is large, the amount on the second half is vastly (2³² > 4 billion times) larger.
