Thirty years in the harem: or, The autobiography of Melek ...

Thirty Years in the Harem, was written during her impoverished exile and was followed by a sequel, Six Years in Europe. Critical of Islam and of Ottoman society once she had lost her elevated position within it, Melek Hanim's vitriolic account is seen by some as proof of Ottoman women's political influence, and by others as self-serving and scandalous.

There existed no sympathy between us, either in taste, temper, or habits. My husband was a serious, stern, and learned man, and I was a giddy, uneducated girl of fifteen the disparity in our respective ages also contributed towards estrangement, and at the expiration of five years we mutually agreed on being divorced.

Origin as the Turkish odalık. An odalık was a maid that tended to the harem, but she could eventually become a concubine. She was ranked at the bottom of the social stratification of a harem, serving not the man of the household, but rather, his concubines and wives as their personal chambermaid. Odalıklar were usually slaves given as gifts to the sultan by wealthy Turkish men.
